EMBRACE CHALLENGE!

South Darley C.E. Primary School

Rev Stephen Monk

22nd March 2021

Dear Stephen,

A very big "thank you" from all the governors of South Darley Primary School, for the loving care you have shown to all the members of our school during the past very difficult year.

Your regular weekly assemblies on zoom have been, and remain, an integral part of school life. Mr. Wilde informed us that they are always well received by the children who really enjoy this worship. During the period of lockdown earlier this year when many of the children were at home, your services provided a very important link between school and home and helped to ensure everyone remained connected and valued.

St. Mary's Church is an important part of our school community; we are so grateful for the support you give, for your time, your care, your wisdom and your sense of humour!

With kind regards,

All the members of the South Darley CE Primary School Governing Body
