Celebrating Our Week

Friday 11th July 2025

Infants looking back at last week

It was very exciting this week to tip out the tub of potato plants that the infants have been taking such good care of since the spring. We were delighted to find it full of beautiful new potatoes which we harvested, washed, chopped and then made into delicious chips using Mr Wilde's air fryer. The children have also been working on their 'red folders' which document their whole school journey and are presented to them in Y6. They enjoyed looking through them to see things they did in previous years and then we have added some gorgeous writing and very effective geometric tile designs.

Juniors looking back at last week

Whilst the Year 5 and 6 have been at Whitehall, the Y3 and 4 have been doing some end of year reading and maths assessments. As well as this they have been writing using the rules of speech and have been looking at money and coordinates in Maths. They have been continuing their computing unit on 'My Online Life' but have found some time in the lovely weather to be creative in the plantation, and have some extra PE.

Infants Looking forward to next term

Next week we are looking forward to hearing Mrs Fletcher's Whitehall adventures and to holding our class poetry recital so that each of the children can perform their poem for their friends before the staff ask some of them to do so again at the whole school recital on Thursday. Y1 still have a tiny bit of their maths curriculum to complete and will be thinking about 'time'.

Juniors looking forward to next term

Next week, all the children will be practicing for the poetry recital next Thursday. The Year 6 will also be preparing for their leavers celebration on Wednesday and their Leavers Service the following Thursday, as well as doing a forest school session on Tuesday. Years 3 and 4 will be looking at translations and statistics in their Maths lessons, and will be looking at some poetry in Literacy. They will also be finishing off their Van Gogh artwork. All of the children will be finishing off their topic work on Space.

Best work of the week was awarded to George H, Anna, Poppy, Ava, Charlie, Olivia, Leia, Walter and Archie.

House Points

Haddon—52

Riber— 35

Chatsworth — 37

**House Points Prize winner—
Beshlie and Leia**

PE Stars of the Week

**George H &
Charlotte**

**All the upper
juniors**

**Oliver &
Poppy**
