

ENJOY LEARNING:
EMBRACE CHALLENGE!

South Darley C.E. Primary School

30th July 2023

Dear Parents,

As I am sure you are aware, Twilight After School Club will no longer be offering an after-school club at the Village Hall and as such we are planning our after-school care for first half term after September.

It would really help us if you could answer some questions about your needs for the next term including the times you would expect to need after-school care until to help us formulate our plans. Mrs Wilmot (our senior Midday Supervisor) will be running the after-school care/clubs on school premises. It may also be that you don't need after-school care, but your child would be interested in attending a planned activity session. Please complete one questionnaire for each child and return it before 7th August 2023 to allow us to plan, charge and staff accordingly.

By completing the questionnaire, you are not committing yourselves, but it would let us know anticipated staffing requirements for each day.

After school provision would need paying for in advance of any sessions – this will be publicised nearer the start of the term. These arrangements would be in place until at least the October half term when the school will review the provision and pricing structures. The school is also investigating its ability to allow parents to claim using childcare vouchers and it would be of great help to establish what schemes/vouchers parents have already signed up to/use.

Please fill one of these in for each child and return before 7th August 2023 (although the survey will remain open during the school holidays the early return date will help us plan).

Many thanks,
