Celebrating Our Week

Friday 17th July 2026

Infants looking back at last week

The infants have had a very cultural week, giving excellent performances in both the class and whole school poetry recitals and being super supportive of each other. We also took part in a fantastic live lesson with the Royal Opera, learning some of the music from The Magic Flute and thinking about the quality of our sound and movement. And of course we were film stars on Tuesday and can't wait to see the finished version of the school's promotional video!

Infants looking forward to next week

Next week might be a quieter week, and we are looking forward to finishing our reading of The Lion, The Witch And The Wardrobe. The children are welcome to bring a toy from home to play with on Thursday morning...please choose something not too precious and nothing with a camera. We are also going to be sending some of the children's workbooks home so if you have any spare carrier bags you could donate to the cause we would be very grateful.

Juniors looking back at last week

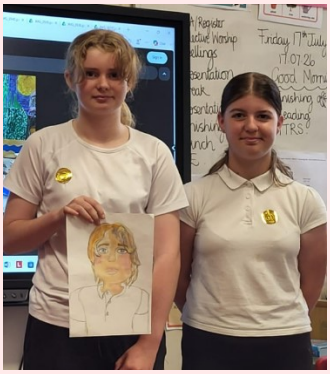

The Year 5/6 have had a busy week finishing off rainforest art and stories. Year 3 / 4 built their own model zoos that can house rainforest animals. All did really well during the filming of the school promotional video and those who volunteered did brilliantly in the poetry recital and spontaneous narration on Thursday. We had 2 more presentations which means nearly everyone has now done their presentation for the year – we will start again in September! Year 6 prepared and enjoyed their leavers meal, and everyone enjoyed the sunshine for their last PE of the year at the Cricket Club.

Juniors looking forward to next week

Next week we will be winding down, with Year 6 having their special walk and lunch on Tuesday, and then preparing for their leavers service on Thursday. We will all be enjoying 'games day' on Thursday morning. We will also be tidying up the classrooms on Wednesday and asking children to take home things that belong to them – a plastic bag or two would be good to bring in.

Best work of the week was awarded to:

Libby, Olive, Izzy, Rosa, Ivy, Nicholas and all the Y3/4 for their model zoos.
